

MAX C♥♥PER Society

MAX COOPER 1917-2016

Named in memory of our co-founder and beloved McDonald's owner/operator Max Cooper, the **Max Cooper Society** celebrates his passion for helping families and the impact he had on more than 47,000 families who have called Ronald McDonald House Charities of Alabama "home" since its founding in 1979.

Each time he entered the doors of our Ronald McDonald House, the greeting he had was the same: "How are the families? Do they need anything?"

Your partnership at \$1,000 or more will continue to answer this important question. Like you, Max was invested in easing the burdens of families with sick or injured children. His legacy, wisdom, and compassion lives on through your generous support and membership in this special society.

Your Gift Provides Guest Families:

- A private guest room.
- Close proximity to specialty pediatric care at Birmingham-area hospitals.
- Financial relief
- A community of support from other families experiencing similar situations
- A full kitchen with stocked pantry, comfortable living rooms, outside and inside playgrounds, laundry facilities, RMHCA toy closet and other special accommodations.
- A variety of healthy, balanced meals provided by our full time chef that plans and shops weekly, and maximizes cost-effectiveness
- Social support services through our L.I.F.E. Program and Family Life Navigators
- The first dedicated Ronald McDonald House Family Life Center in the world, which helps families throughout the continuum of care, from check-in through at least 120 days post check-out.

As a **Max Cooper Society** member, your generosity sustains RMHC of Alabama's programs throughout the year so guest families like the Millers (pictured above) are confident they will have a safe, comfortable place to stay whenever they travel to Birmingham for their child's medical care.

In addition, your gifts have allowed RMHC of Alabama to open the **Family Life Center**, the first of its kind in the RMHC global system, and add a full-time chef to our staff who provides warm hospitality and nourishing meals throughout the week.

To talk more about how you can support the strategic growth of RMHC of Alabama, please reach out to Kathy Moore today! Thank you for your compassion and heart for families.
